

Values Rolling Programme

Mary Dean's CofE Primary School and Nursery

'A school family, learning for life in all its fulness.'

We are a nurturing family, growing together for a flourishing future.

I came that they may have life and have it abundantly. – John 10:10

Forgiveness, Thankfulness, Courage, Truthfulness, Respect, Friendship

First Federation Trust values 'Aspire, Flourish, Achieve'.

Our Christian vision, based on John 10:10 treats every member of our school family as a cherished individual and we aim to remove barriers to prevent them living life in all its fulness. We do this in a caring, supportive environment where we value everyone's achievements.

In our School, we understand that our Values (both Christian and British) are an integral part of everything we do within our school life throughout the year. In addition, we also actively participate in Federation Ethos days.

We have considered the order of our Christian values carefully in order to have the most impact for our children, this is either linked to a Christian festival or to key events in the lives of our children, eg courage is timetabled for the end of the year to support our Year 6's especially with their transition to secondary school.

Our Ethos Group has chosen the key bible stories linked to each value that they believe every child should know and understand before they leave in Year 6.
