Next year, my class teachers will be:

Mrs Evans

Mr McCann

The other adult supporting me will be:

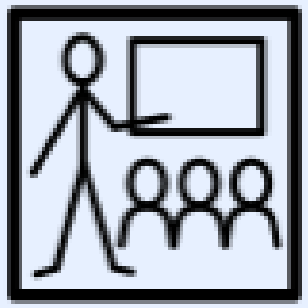

Mrs Jeffery
Teaching Assistant

I will be able to find out what I'm doing each day by looking at the timetable.

The pictures will be the same and it will be next to the whiteboard.

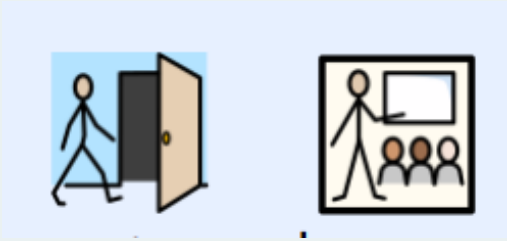

This is my classroom

I will enter through the outside door.

This will also be where I leave for break time and at the end of the day.

Things that will be the same:

School rules.

Bring my coat and water bottle.

I will learn maths and English every day.

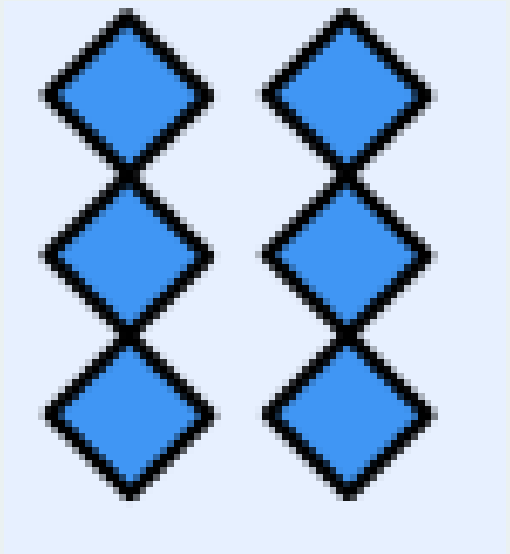

Break time and lunch times will be the same.

I will be in my class with some children I know.

I will wear my PE kit on PE days.

I will still read to an adult at home every day.

I will still have spellings to learn at home.

Things that might be different:

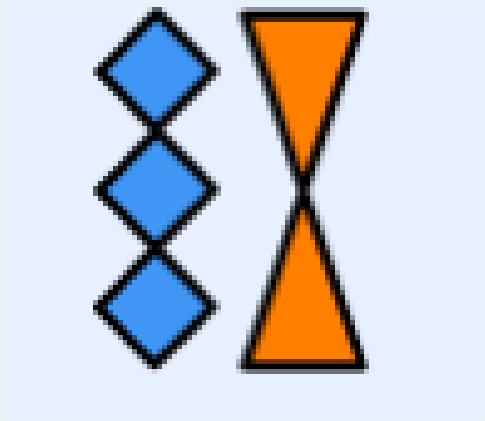

New classroom.

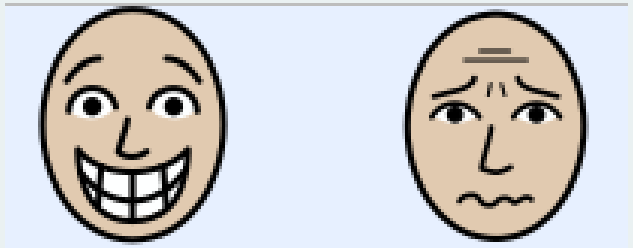

I might have a new talk partner.

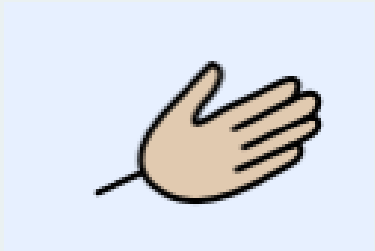

PE will be on different days.

I might have playtime in a different playground.

I may have new adults supporting me.

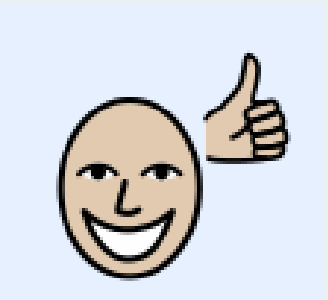

- Everyone feels excited and nervous when they are starting something new.

It's OK to ask questions.

- Adults and friends will help you.
- You can ask them for help or ask them a question if you are unsure about something.

You will soon settle in and enjoy the new things that you do.

Soon it will seem like an 'old' classroom not a new one!!

Well done!

You are on the way to being ready for the next school year.
