

Salvation: being saved or rescued so that humans are no longer separated from God

Resurrection: Jesus' return to life after dying

Interpret: to explain or understand the meaning of something

Sacrifice: giving something up for the sake of someone or something else

Biblical: relating to something in the Bible

Theological: the study of God and religious belief or a set of beliefs

Gospel: the good news that Jesus brought, a book in the New Testament

Eternal Life: the belief that through Jesus' death Christians can go to Heaven to be with God for eternity

Incarnation: God became human in the form of Jesus, God in the flesh

Funeral: a ceremony held after someone has died

Salvation. What difference does the resurrection make to Christians.

### So how does it all work?

Sacrifice

Resurrection

Salvation

Eternal Life

**I can make sense of belief by knowing that:** Christians believe that Jesus died on the cross and rose again for our salvation.

**I can understand the impact of:** the account of Jesus' death and resurrection for the forgiveness of sins as told in the Gospels.

**I can make connections:** Christians use the idea of forgiveness and salvation to help them live their lives, find hope, and forgive others.
