**Thinking about religion and belief**

I can recognise and explain the impact of beliefs and ultimate questions on individuals and communities; I can understand that there are religions other than Christianity with different belief structures

**Practices and lifestyles (what people do)**

I can explain the significance of the Hindu practice karma and dharma and how this might be interpreted in someone's life.

**Meaning and purpose (making sense of life)**

I can make informed responses to people's values and commitments and understand that many Hindus desire to act out their beliefs in their lives for example by giving to charity. I can understand the impact of the concept of atman.
