Breakfast Club

Thank you for your interest in Breakfast Club.

We have had some great feedback from parents and children already using the facility.

Please find enclosed some information about the club and a registration form for your child. If you require more information, please speak to Mrs Craig at the school office.

ALL children who attend Breakfast club must have a completed registration form before they attend. This is essential so that staff know the appropriate details for your child.

When your child is going to attend the breakfast club, please book them in online, via School Money 'Parent Pay' at least 24 hours beforehand. This is to help us ensure we have the right amount of staff available.

If circumstances change and you need to make a quick booking, then you may telephone the school office and a member of staff will check availability.

Please telephone the school office if you need to make a change to your booking or a cancellation. This will enable staff to monitor availability for other children.

Drop-off Procedures

When you bring your child to Breakfast Club, please ensure you drop them off inside the main entrance of the school building.

Children in Nursery – Year 4 should be accompanied by an adult into the hall and registered by a breakfast club member of staff. Year 5 and Year 6 children can register themselves with a parent/carer's permission.

Children should not be left alone outside before Breakfast club.

Should you be unable to bring your child and register them another adult with your permission is allowed to do this.

This is simply a safety measure put in place to ensure that all children are accounted for and marked on the register.

If you have any queries regarding dropping off your child then please speak to Mrs Craig in the school office and she will be happy to help you.
