

Year 1/2 Geography
Come Rain or Shine

In this unit, pupils will learn to identify and describe different types of weather and the four seasons. They will explore how weather changes over time and how it affects people's daily lives, including what they wear and the activities they do.

Year 1	Year 2
<p>I can name different types of weather (sunny, rainy, cloudy, snowy, windy).</p> <p>I can describe the weather using simple words.</p> <p>I can say how the weather changes across the seasons.</p> <p>I can say how weather affects what people wear and what they do.</p> <p>I can identify weather symbols (sun, cloud, rain, snow).</p>	<p>I can describe different types of weather in more detail.</p> <p>I can explain how weather changes from day to day.</p> <p>I can identify and describe the four seasons and their main weather features.</p> <p>I can explain how weather affects daily life.</p> <p>I can name simple weather instruments (thermometer, rain gauge, wind vane).</p> <p>I can talk about extreme weather (e.g. heavy rain, heatwaves, strong winds)</p>

Come Rain or Shine

 observation	 recording	 comparison
 thunder	 rain	 snow
 sun	 temperature	 overcast
 seasons	 lightning	 hail
