

Year 1 Knowledge Organiser Changing Me

Vocabulary:

 changes	 life cycle	 baby
 adult	 growing up	 male
 female	 learn	 feelings
 special	 unique	 respect

In this topic we will:

- understand the life cycles of animals and humans
- explain some things about me that have changed and some things about me that have stayed the same
- explain how my body has changed since I was a baby
- identify the parts of the body that make boys different to girls
- understand that every time I learn something new I change a little bit
- explain about changes that have happened in my life

Questions to get you thinking:

- What is a life cycle?
- Do we all grow at the same rate?
- What do you want to be when you grow up?
- How do we change as we grow up?
- What would happen if we didn't change and grow?
- How can we tell a girl and boy's body apart?
- How do we cope with change?
