

Dear Parents/Carers

Welcome to this week's newsletter.

Lead Learner Day

On Thursday, our Year 5s attended Sir John Hunt for a day of learning activities, along with children from five other primary schools. They took part in a number of fun lessons, including PE, music, science and art led by the teachers and Year 10 pupils, all of whom did a fantastic job. It was a great day - our children were a credit to the school, and we were very proud of their attitudes and behaviour. Several of our pupils won a gold certificate for respect 😊 and Rowan was one of 12 singled out for being the best and won a £5 voucher! Fantastic! Thank you, Mrs Luscombe for taking the children to this event.

Maternity Leave

Mrs Perkins will be finishing this Friday to begin her maternity leave. We wish her lots of luck and cannot wait to meet her new baby. Mrs Barnes-Smith will cover Mrs Perkins' teaching days and teach the entire week in their class.

Field Gun and Armed Forces Day

On Saturday, it is Armed Forces Day on the Hoe. Mr Peters, supported by Mrs Higginson, will be taking our Mary Dean's team to the Field Gun event. They have not long been training so they will be taking part for the experience this year. Please support them, if you are going to the Hoe for the planned events for the day.

Sporting Success

Tamerton Under 8's have done it again! Nolan & Lewis travelled to Croyde Bay last weekend and competed in the England beach soccer champions. They came away champions, winning every game. Well done, boys!

Sports Week and Half Marathon

What an amazing week, last week! The sun shone and the children were able to compete in many sporting activities planned for the week, including their key stage sports days and the half

marathon. Thank you, Mrs Baker for planning the week and to everyone who helped to set up and organise the children.

Bikeability

Our Year 6 children took part in learning cycling skills over 4 days last week. The children learned to ride safely in the local area and some children even took to two wheels for the first time! What a great achievement! Thank you, Mrs Butchers for organising this for the children. It was great to award every Y6 pupil with a certificate of achievement from their trainers.

This week, the Year 4 and Year 6 children had the opportunity to test out their cycling and scooting skills on a course across the playground with Sustrans. This was another great opportunity for the children to get active and develop their skills. Yazmine, who led the activity, wrote to the school to say how impressed she was with our children. They listened well, they got involved with enthusiasm and a great attitude, and above that they showed care and consideration for each other. She also said that it was the highest turn out of bikes and helmets she has ever had from all the schools she works with which shows that we have excellent communication with families and families who engage well with school life. She said that all the staff were friendly, making sure she knew where to set up and helped carry scooters and helmets. She finished her email by saying, "What a lovely school."
